THE WICKLANDER-ZULAWSKI ADVANCED SEMINAR ON CRIMINAL INTERVIEW AND INTERROGATION

COURSE DESCRIPTION:

The 2-day WZ Seminar on Advanced Criminal Interview & Interrogation Techniques offers participants, who have attended an introductory interview and interrogation course, the opportunity to further enhance their techniques. Participants will obtain training in the latest and most powerful advanced interview and interrogation techniques. This seminar utilizes practical exercises, using underlying psychological principals to improve your ability to obtain legally acceptable confessions.

This seminar allows participants to work through actual case studies applying multiple interview and interrogation, including Selective Interview Technique, Cognitive Interviewing, Factual Approach, Participatory Method and the WZ Non-Confrontational Method. The non-confrontational approach to interviewing and interrogation has been recognized for the way it produces faster and more accurate results. In many cases, admissions are achieved without the guilty suspect ever making a denial or protesting his innocence.
