A Statewide System of Inservice Training Program
Illinois Law Enforcement Training and Standards Board

PRESENTS

BREATH ANALYSIS OPERATOR TRAINING (8HOURS)

COURSE DESCRIPTION:

Any officer who registers to attend this course must have an One Net account established with the ISP Breath Alcohol Operator (BAO) section. This is the method that ISP issues the BA Operators License after successful completion of the course and allows officers to track their training.

How to apply for a One Net account if an officer does not currently have an account.

All officers must provide the following to isp.bao.training@illinois.gov

- Name
- Agency
- Work email

Officers must establish the account **a minimum of two weeks** prior to the class.

Please note the MTTU IV must provide a roster to ISP BAO two week prior to the class.

Manuals will be emailed. All students may bring laptops (fully charged)

The Breath Analysis Operator Course trains police officers in the operation of evidential breath test instruments. The program presents information on the effects of alcohol on the human body, operational procedures, Vehicle and Traffic Law pertaining to DWI enforcement, and pertinent case law. Successful students will receive a Breath Analysis Operator Permit which will expire three years from the date of issuance.
