A Statewide System of Inservice Training Program  
Illinois Law Enforcement Training and Standards Board

## PRESENTS

# SOLUTIONS FOR MANAGERS AND SUPERVISORS

### Course Description:

This dynamic two-day course is a career development tool to enhance and refine the leadership skills of law enforcement managers and supervisors across a variety of organizations. Good supervision transcends agencies and provides the core principles of quality supervisor techniques. It also lays a strong groundwork of knowledge for those striving to be promoted to management and supervisory positions. Concentrating on the idea that people are the true assets of their agency, participants will understand the importance of their role in maximizing employee performance through strong management and supervision techniques and will understand the value in developing flexibility in your leadership approaches to garner peak performance and meet organizational goals.

### Instructor Bio

Gregory Anderson has been teaching law enforcement and executives for several years focusing on internal affairs, professional standards, and leadership. He has also taught at the university level and has also served on the International Association of Chiefs of Police committee on Professional Standards, Image, and Ethics.

He began his career with the Aurora Police Department and retired as Deputy Chief of Police. Greg was also the Chief of Police for the Village of Campton Hills, Illinois and the city of Oak Forest, Illinois.

Chief Anders has a master's degree in Law Enforcement and Justice Administration from Western Illinois University and a bachelor's degree from the Union Institute and University in Cincinnati, Ohio. He has also attended many executive management and leadership courses throughout his career and instructs and consults nationally on internal affairs and professional standard issues, police leadership and supervision topics.
