PRESENTS

360 DEGREE LEADERSHIP: LEARNING FROM WHERE YOU ARE IN THE ORGANIZATION

This supervision and command training is focused on addressing and achieving mission-driven bottom-line thinking, department objectives and quality succession training at every level of the organization.

The 360 approach is about verifying assigned tasks are completed, quality reports are submitted in a timely manner, reflecting department standards.

- It examines if your leadership style is helping or hurting those goals.
- It looks at how to extend work process and quality work product towards community trust and connectedness.
- It also focuses on building and sustaining morale with the troops during these tough times.
- It embodies “Management by Walking Around” at every department level to stay aware, informed and responsive.
