STANDARDIZED FIELD SOBRIETY TESTING (SFST)

INSTRUCTOR SCHOOL

(40 HOURS)

COURSE DESCRIPTION:

This 40-hour course will provide all participants with a foundation in effective instruction principles, effective learning environments, prompting participation and interaction, and delivering effective feedback. The course teaches participants how to incorporate creative training techniques to deliver interactive presentations using techniques and/or material that reinforce learning.

To provide the opportunity for participants to apply instruction techniques demonstrated during the course, each participant is required to design and deliver a presentation on a session in the DWI/SFST curriculum. Strong emphasis is placed on assisting individual participant to expand and improve their teaching and training skills, regardless of their level of experience.

This course will also focus on improving fundamental skill of delivering effective feedback. Experienced instructors will demonstrate effective feedback measures throughout the course. Participants are given opportunities to apply effective feedback measures during the final participant presentations.

Participant will also receive a legal update including processing an arrested driver, warning to motorists, toxicology sampling protocols, laboratory reports, and search warrants. The Illinois Statutes and recent court decision impacting DUI are covered.

Every officer in the course will receive access to the latest digital resources on the Dynamic Impairment LLC website including flow charts, sample reports for a variety of situations, cheat sheets, research studies, case law and more.
