Instructor Biography - Jason Dickey

Jason Dickey is a Captain with the Illinois State Police, where he has been employed since 2000. He is currently the District 7 Commander. He is a graduate of Northwestern University Center for Public Safety - School of Police Staff and Command Class #370. Jason is an adjunct instructor for Northwestern University Center for Public Safety. He instructs Traffic Management and Analysis, Managing Problem Employees, Job Design, Performance Appraisals, and Employee Relations for the School of Police Staff and Command.

Jason obtained his Master of Arts and Bachelor of Science degrees in Law Enforcement and Justice Administration from Western Illinois University. He also obtained his Police Administration Certificate from Western Illinois University. Jason has extensive knowledge as an instructor in the Illinois Vehicle Code, RADAR/LIDAR, RADAR Photo Enforcement, traffic stops, and Control and Arrest Tactics.

Course Description

This course is an update and comprehensive review of the Illinois Vehicle Code and Illinois Supreme Court Rules concerning bonding procedures. If you are an officer with patrol duties, returning to patrol from another assignment, part-time, or just need a refresher, this course is for you. In this course, the primary emphasis will be to discuss and explain the following:

- traffic law is “mala prohibita”;
- generally that the element of intent is not part of a traffic offense;
- strict construction of the wording of traffic laws;
- procedures for charging a traffic offense;
- application of Miranda warning to traffic cases;
- requirements for registering vehicles, licensing drivers, rules of the road and required vehicle equipment;
- the most frequent problems encountered in traffic enforcement;
- court case preparation;
- clearing up common bonding misconceptions and errors.

Course has received approval from the Illinois Law Enforcement Training and Standard Board.

Funding for this class is provided through an IDOT Grant.
